

Dear Future Vandegrift FFA Alumni Sponsor,

The Vandegrift FFA Alumni Association is a 501(c)(3) nonprofit organization dedicated to supporting the students of Vandegrift High School's Agricultural Sciences Programs. These programs span Animal Sciences, Floral Design, Agriculture Mechanics, Wildlife, and more. Students are provided hands-on opportunities through supervised agricultural experiences—ranging from raising livestock to creating floral and mechanical projects. These experiences teach entrepreneurship, agri-science research, leadership, and service, while preparing students for college, trade programs, and careers in agriculture.

FFA projects are often showcased at county and state fairs, requiring significant time, commitment, and expense from both students and their families. The Alumni Association helps bridge the gap, providing resources, scholarships, and recognition to ensure that every student has the opportunity to succeed.

During recent years, thanks to the generosity of sponsors like you, we've been able to award thousands of dollars in scholarships, proficiency awards, and project support. Our students have continued to excel in competition, leadership development, and community service, proudly representing Vandegrift FFA at the district, state, and even national levels.

For the 2025–2026 school year, we are excited to continue this legacy and invite you to join us as a sponsor. Your support has a direct impact on students in our community and ensures the continued growth of our program.

We offer several sponsorship levels, including Grand Champion, Reserve Champion, and Gold, which provide scholarships in your business's name, awarded directly to students to further their education at a college, university, or trade school. These top levels deliver the greatest impact, though our Blue level also offers meaningful opportunities to contribute toward student scholarships, proficiency awards, placement awards, and classroom resources.

Your donation is tax-deductible, and every contribution—no matter the level—directly supports Vandegrift FFA students.

If you have questions or are ready to become a sponsor, please don't hesitate to reach out.

Thank you in advance for your generosity and commitment to the future of Vandegrift FFA. Together, we can help these students achieve their goals and continue to grow a strong program in our community.

With gratitude,

Jennifer Boyle
Alumni President
