

Anti-Egoism Amendment

Preamble

Whereas; the Constitution of SimDemocracy has had many writers, spending their free time on perfecting the Constitution without being on the Constitutional Committee and as such having their work miscredited to the members of the Constitutional Committee.

Whereas; the Constitution of SimDemocracy belongs to all citizens, not just the few who wrote it and maintained it.

Whereas; we should not allow a few peoples signatures be larger, and thus feel more important than our Constitution.

Article 1 - Signature Removal

§1. All signatures of the Constitutional Committee, including the heading of 'Signatures of the Constitutional Committee:' shall be removed.
