

Privacy Policy for Kubobot

Last Updated: February 15, 2025

1. Introduction

By using Kubobot, you acknowledge and agree to this Privacy Policy. This policy explains how we collect, use, protect, and manage your data while using Kubobot on Discord.

2. Data Collection

Kubobot may collect the following information:

User Data: Discord username and user ID (for bot functionality).

Server Data: Server ID, channel IDs, and bot settings.

Command Logs: Commands issued to the bot for moderation and troubleshooting.

Kubobot does not collect personal information such as emails, passwords, or financial details.

3. Data Usage

The collected data is used to:

Enable Kubobot's features and services.

Maintain security and prevent misuse.

Improve bot performance and functionality.

Ensure compliance with our [Terms Of Service](#) and Discord's guidelines.

Your data will not be shared, sold, or used for advertising.

4. Data Protection & Retention

To protect your data, we implement:

Secure storage with restricted access.

Measures to prevent unauthorized access or misuse.

Automatic deletion of unnecessary data after a certain period.

We do not retain data longer than necessary.

5. User Rights & Data Removal

If you wish to remove your data:

You can request data deletion by contacting support.

Leaving a server where the bot is active will remove your data from that server.

Discontinuing the use of Kubobot stops further data collection.

6. Violations & Consequences

If we detect misuse or unauthorized access attempts, we may take the following actions:

Warning: If a user misuses bot data, they will receive a warning.

Temporary Restriction: Repeated violations may result in temporary restrictions.

Permanent Ban: Serious offenses may result in permanent denial of access.

Report to Discord Trust & Safety: If a violation breaks Discord's policies, we may report it.

7. Third-Party Services

Kubobot operates within Discord. Please review:

[Discord Privacy Policy](#)

8. Policy Changes

We may update this Privacy Policy as needed. Continued use of Kubobot after updates indicates acceptance of the new terms.
