About Me

Hello! My name is Laura Ruiz Serrano. I was born and raised in Spain until I moved to Houston when I was 12. I graduated from University of Houston where I studied music performance before discovering my love of teaching. I have been in the classroom for 13 years and have taught first grade for the last 7. In my free time I enjoy playing my violin, reading, listening to podcasts, trail running, bouldering, and cooking. I recently welcomed a puppy into my home and am working very hard to train her. On nice days you can see us walking the Heights Blvd trail. I am very excited to join the Harvard Elementary crew this year and be your teacher!
