

NAME:

REVHS Swim Code of Conduct

Sportsmanship - Redlands East Valley High School Swim Team members will maintain a positive attitude at all team events, practices and meets. Swimmers will be enthusiastic and supportive toward all other members of the team and competitors. Team members will follow and support school rules at all team events.

Commitment - Swimmers will be at all practices and meets unless excused by their coach in advance. A 90% attendance rate must be maintained to compete in meets. If attendance drops below 90%, the athlete may be removed from the team. Any unexcused absence from a practice could result in being out of the next meet and any unexcused absence from a meet could result in dismissal from the team. The head coach must be notified via email prior to any practice or meet absence. If a swimmer is at school, they should attend swim practice or the swim meet that day. Being present at a meet means sitting with the team and remaining throughout the entire meet.

Pride - All swimmers will show pride in their school by maintaining a clean pool area at home and at away swim meets. Team members will follow all school dress codes while at team events and should also wear team shirts to all meets.

Recognition - In order to letter, a swimmer should swim in all Junior Varsity or all Varsity swim meets.

Signatures

I _____ (**Athlete**) agree to the above expectations + the expectations in the Swim Handbook and realize that not adhering to them will result in disciplinary action or my removal from the REV Swim Team.

Athlete Signature: _____
