Objective

Ultimately, To find employment in the games industry as a Game artists and animator

Employment History

Test Associate:

Experis

From July 2021 - present

I worked as a software quality assurance tester. making sure games and software are bug and as problem free as possible before the product is shipped to market.

Student Ambassador:

University of Advancing Technology.

From March 2019 - June 2021

I worked as a Student ambassador for the majority of my time at UAT, where I learned data entry, as well to help transfer phone calls. The most important part of the job, however, was to give tours of the campus.

Degrees

Bachelor of Game Art and Animation,
University of Advancing Technology, 2021

Education

University of Advancing Technology, Tempe, AZ
2018-2021

Yavapai College, Prescott, AZ

Video Game Development Major

I attended Yavapai College to further my educational goals.

Oklahoma City Community College, Oklahoma City, OK

Digital Media Design Major

I attended OCCC to seek a major in Digital Media Design, as well as a minor in Japanese and Creative Writing.

Texas Challenge Academy, Sheffield, TX

General high school studies

I attended the TCA to better my physical body as I had been diagnosed at age 15 with diabetes. Due to diligent regiment, I gained the necessary physical health to be declared diabetes free as of a year ago.

While attending the TCA, I earned my GED at age 16.

Home school education, USA

From the time I began a formal education, I was home-schooled. My home-school experience taught me not only the basics (and extras) of academic studies but the importance of bettering myself through reworking problems until I performed them correctly. If I didn't meet expectations at the first, and applying myself wholeheartedly to tasks at hand.
