Summer Guide in Preparation for the 2025-2026 School Year

Dear Students and Families,

Please use the summer months to review and complete this Summer Guide regarding upcoming math courses for the 2025-2026 school year. Access to our online textbook will be provided to students through the school in August. Mandatory course materials must be purchased, and mandatory assignments must be completed for credit. Suggested course materials/assignments are optional.

Sincerely,

The PRM Math Department

Course Name	Math 6
Mandatory Course Materials	<ul style="list-style-type: none">● 1 1/2" hard-covered three-ring binder● 1 folder (3-hole punched)● Basic 5-function calculator● 3 dividers● 100-page composition or spiral notebook● Glue Stick (at least 3) or Tape● Dry-Erase Markers (at least 4)● Pencils● Erasers
Summer Assignment	<p>There is a REQUIRED summer assignment (see attached for further instructions) to practice pre-requisite skills before the start of the school year. This will be due on Tuesday, 9/2. A formative assessment grade will be assigned for the completion of this work in September.</p> <p>Assignment Attachment: Summer Math Assignment (5 to 6) 2025 Math 6</p>
Optional IXL Summer Boost	<p>We've added IXL for middle school this year and will use it to reinforce our curriculum next year. Your child will have access to the online program over the summer until August 10th. Students can access IXL through Clever.com. Incoming Math 6 students can practice using this Skill Plan.</p>
