20 mins	Principal Report/Administrative (Chris)	<ul style="list-style-type: none"> - Numbers – 1159 right now. 6 under where Chris would like to be. Concerned with 6th grade and they are averaging with 30 per class which is larger than in years past. 18 are currently open enrolled. \$70K back in budget from district. - Staffing/Hiring – there are a number of teachers retiring this year. - Summer School - will be free thanks to Esser funds provided by the district. IT is in the middle of the summer and chris is concerned with having enough teachers applying for positions. - Superintendent - Comp. Matrix, PLC/Literacy, - Corey Wise has been elected. Was the founding principal at Legend so he knows the district well. He has been around for many years and knows how the district runs and many people who work and live in the district. Three priorities for Wise 1. Teacher pay matrix to see where DC teachers compare to other school districts. 2. PLCs – professional learning communities – cimmaron is already doing this. 3. SEL – going by CASEL Standards – Cimarron is already down that path and hopefully district will look at Cimarron model. 4. Transportation. Corey hiring two deputy superintendents. Will provide more accountability to district departments. - Back to School Brainstorm – get parents back in the building next school year. If there are no restrictions next year, administration will be meeting in July to discuss restrictions for the coming school year. Hoping to have a parents night. Committee brainstormed on ideas. - Days and times next year – 4-5:30 works for most Committee members
Time Permitting	Misc./Open Forum	<ul style="list-style-type: none"> - June meeting will be cancelled unless unforeseen changes arise - Next meeting will take place in Aug. Date TBD
