REPORTS

School Admin Report (Mrs. Aultman and Mrs. Wiley)

- Strike: Any information on this will come from the district office. Much is unknown at this time
- We are growing! 212 students at present
 - New students are transfers and from the new development
- Request for funds from Friends was made, \$3500 was requested, same as last year
- Jordan's Principle – no news yet which is concerning. This federal grant helps provide assistance for First Nations students and was used last year to fund 4 full-time EAs and a 0.4 FTE teacher.
- Currently we only have EAs to support Pre-K, Gr 1, 2, and 4
 - Looking to hire a 4/5 split for AM core classes
 - Both classes are over 30 students
 - We are waiting for funds after Sept 30 registration cut off
- Q: is there room for parent volunteers?
 - Not exactly, since there are fully trained EAs with specific qualifications. However, there may be availability to support with supplies, decorations, other prep that teachers may have, along with the typical volunteering for field trips. If you are curious, please reach out to your student's teacher(s).
- Yearbook – need someone to help organize class/staff photos into the yearbook as the individual who has done this in the past is not able
 - Jenn volunteered and will work with Monique

OLD/NEW BUSINESS

- Grants for outdoor classroom structure:
 - Newly applied for Building Futures grant from Morinville
 - Will hear back by Nov
 - Two other 5K grants have been awarded
 - **ACTION:** Jamie will request to extend the 10K grant we have been awarded

NEXT MEETING
