

Reading 10.1- Notes [Slides](#)

- The standard for reading literature and an informational text for 10.1 is the same.
- The full text of the standard on which you are tested reads as follows:
 - **Cite strong and thorough textual evidence to support analysis of what the text says explicitly as well as inferences drawn from the text.**
- The purpose of these notes is to help you understand what the academic vocabulary means so that you know exactly what is being asked of you.

What does this standard mean? Academic Vocabulary Breakdown

- Cite-
- Strong-
