 - Meeting ID: 950 5350 9101/ Passcode: 453250
- May 14th at 3:15 Zoom/In person
 - [Join Zoom Meeting](#)
 - Meeting ID: 988 1728 1875 / Passcode: 069022

2. Agenda Items to discuss

- Student Focus Groups - Quarterly Meetings (Mr. Flynn to share [Mtg 1 Notes](#))
 - Mr. Flynn reviewed the notes from our first student focus group meeting. Review of dress code changes - only question added from students was about wearing hats during the school day. Grab/Go breakfast was reviewed - Mrs. Mullikin reported more students were eating breakfast and arriving to class on time because they could bring food to the classroom. Review of Sweethearts & Heroes work - positive feedback from students, brought more students/different students together and increased their ability to listen to each other. Learn to Lead discussion - connections/trust with different students from different grade levels, staff and admins. College/DL offerings - would additional college courses be offered and how do we learn about the offerings was asked/requested. Future meetings - re-evaluating Sweethearts & Heroes, school aesthetics and school pride on future meetings.
- April 8th Solar Eclipse Extravaganza- Dismissal at 1:00 p.m. - Meeting [Notes](#)
- Feedback on After School Program Grant and 2024-2025 programming

- Pros: Students enjoy the program, as it runs currently the programs are exciting for kids (they enjoy the new programs offered quarter and can't wait to get the sheets), some of our district students do not have access to the crafts/events at home, staff engagement with students is positive - sometimes it sees the staff in a different light and gives different experiences for them, students are proud of the work they complete in the program. Parents have additional support/time to get home from work and pick up their children and know they are supervised in a safe space. The AM Latchkey is very helpful for parents who need to be at work early and can not leave young children at home unsupervised to wait for a bus.
- Important to showcase the program in the positive experiences it brings for students with the activities offered - not just a supervision space
- Suggested a New Name—not just afterschool program - maybe Enrichment Program
- Discussion of Enrichment Advisor in MTA Contract - teachers did offer enrichment activities in the past - cooking, weight room. Transportation was provided on nights of Enrichment - Tues/Thur typically. Offered to all grade levels of students.
 - Ms. Vaughn will review the budget from years before ASP to inquire about the budget for this.

3. Future Meeting Agenda Items
