Northwoods Virtual Interview/tech issues Apex texts:

Hi!

It's Jason Heinritz with Vector Northwoods. I am looking forward to our interview today.

Currently, we are experiencing some technical difficulties with our interviewing platform.

I will be sending a few videos for you to watch about our team and the position. I will need you to watch those first and then we will follow up via phone for your final interview.

Does that make sense?

Send Videos text:

Perfect,

Please watch these 3 videos and text me when you're done. We will follow up after for 5-10 minutes for the final part of your interview.

1. 7 minute position overview: <https://bit.ly/vector7min>
2. A message from myself about our team and culture: tinyurl.com/cutcothroughcollegeshort
3. 8 minute video on how our reps get started advancement opportunities: <https://bit.ly/vecnameslist>

After videos text:

Ok, great. Please fill out this final form and let me know when you're finished. Myself or one of my other managers will follow up with you in the next 30-60 minutes if we are interested in moving forward with the final part of the interview.
