

March of Dimes Project - Leader Activity 2

Participate in a national FBLA service program (e.g., Prematurity Awareness Month, March of Dimes projects, FBLA-PBL National Community Service Day, i-Safe, National Organization of Youth Safety, President's Volunteer Service Awards). We will develop a report for our efforts with the March of Dimes. You will utilize several sections of this report for your Leader Activity 2.

(Prepare and upload a 200-500 word report with a title page describing what you learned. Include at least one graphic and one digital photo).
