

## **Parking at the Mill Valley Film Festival:**

- **Metered parking** is available on nearby streets, including **Blithedale Ave, Miller Ave, and Sunnyside Ave**. Be sure to check all posted signs for time limits and hours of enforcement, which can vary by block.
- **Free residential parking** can be found a few blocks away on **Oakdale Ave** and **Buena Vista Ave**—just be prepared for a short walk to the theater.
- **Parking near the Mill Valley Depot is convenient**, with a public lot located directly across the street and metered spaces available throughout the downtown area. Meters accept coins, credit cards, and the ParkMobile app.
- Additional street parking can be found around the Sequoia Theater and throughout downtown, though spaces may be limited, so patrons are encouraged to allow extra time. For those visiting in the evening, free parking is available after 5:00 PM at City Hall (26 Corte Madera Avenue), just a short walk from the theater.
