Brighton Schools, Mr. John Thompson Named National High School Athletic Coach Association Athletic Director of the Year

Belleville MI, June 2024 – The National High School Athletic Coaches Association (NHSACA), a professional organization of school coaches and athletic directors, has selected Mr. John Thompson of Brighton Schools as the National High School Athletic Coaches Association Athletic Director of the Year. The award was presented to Mr. Thompson on June 26, 2024, at the Bismarck Convention Center, in Bismarck, North Dakota where the NHSACA Annual Conference hosted over 500 coaches and athletic directors.

Congratulations to Brighton High School and Mr. John Thompson on being awarded the NHSACA Athletic Director of the Year Award. The selection and nomination for these awards comes from the coach's constituent sport association in cooperation with the Michigan High School Coaches Association.

The NHSACA selection of Mr. Thompson from Brighton Schools reflects positively on his school and community. Athletic Director of the Year selections have been based on the performance of their program over the years and/or their contribution to the sport, school, and community. These were some of the criteria to determine the award selection. It is indeed an honor to have been selected as National High School Athletic Coaches Association Athletic Director of the Year from an entire nation of nominees.

The NHSACA is a 58-year-old association with nearly 335,000 members serving athletic administrators, and all levels of coaches in numerous high schools and junior high/middle schools throughout the United States. Partnering with the Michigan High School Coaches Association, the National High School Athletic Coaches Association works to promote the educational value of interscholastic athletics and the role of athletic administrators and coaches. The National High School Athletic Coaches Association and Michigan High School Coaches Association are very proud to spotlight Mr. John Thompson as a person whose work and values best mirror those of the association.
