

Hello Devin Martin

Ran into your IG page and checked your webpage, it's neat and simple.

By the way, Petter here, your Strategic partner.

Listen, I'm here to make bucks. Don't know everything about your business but I think you might be the right person to do it with. You might not be. We'll see..

Have some ideas that could potentially increase your conversion rate.

For instance, do you have an email newsletter?

If not, here's one FREE (see below).

Will send a couple of mails (2-3) before including a CTA.

Additionally, we should create a funnel with a landing page and enhance your presence on your social media platforms.

If this sounds interesting, hit me up and we'll talk more on a zoom call.

Sincerely

Petter J

PS: I won't charge you anything until you see results.
