Dear Grade 8 Families-

Last week's trip to Holiday Hill was a big success. The weather was great and the kids had a fantastic time. Along with an AMAZING dinner dance, these 8th graders have some special memories to end their tenure at WSMS. We have one more big event to go and that is our 8th grade Stepping Up Ceremony this week on June 6th. I just wanted to go over the details with you for your planning.

- The Stepping Up Ceremony is June 6th at 6:15. It will be held in the gymnasium at JLAH high school. Since this is a large space we will not be giving families tickets. You can bring immediate family and close relatives.
- Students will be rehearsing here at school so they will know what they need to do. Please plan to drop them off at JLAH at 5:45. Doors will not open until 5:45 so please do not come before then.
- There will be no caps and gowns. We are asking that students wear their Sunday best. No need to be super formal but no jeans or t-shirts please.
- Students will be getting a blank certificate on the night of the ceremony. The actual certificates will be mailed once the honor roll information has been processed.
- If there is someone with need of handicapped access please contact Mrs. Grillo at dgrillo@milforded.org

We are looking forward to an exciting evening celebrating our 8th grade students as they end their time here at West Shore and begin the next chapter of their school journey!

Sincerely,

Carrie Keramis
