

Hello everyone!

If you are on this doc that means you are interested in my profile or casting me for something, so thank you already!

My name is Cora M and I am a rising actor and voice actor.

I have been doing voice acting for around 2 years (not on casting call club or any website) and acting (on screen and theatre) for 3 years and I practice my skills every day.

I can do anything from straight up sobbing to sounding 5 years older than I actually am!

Random side note: I am currently writing a movie right now...so yeah!

Preferred credit name: Cora Davei
