

Easy Pumpkin-Chocolate Chip Cookies/Muffin Tops

printed from veronicascornucopia.com

1 (18.25 oz) box spice cake mix

1 (15 oz) can pumpkin puree

1 (12 oz) bag semisweet chocolate chips (I used mini because I made small cookies)

Preheat oven to 350F and line cookie sheets with parchment or silpat mats.

Empty cake mix into a mixing bowl and whisk well until there are no lumps. Mix in the puree, then stir in the chocolate chips. Use a cookie scoop to portion the dough out onto the prepared baking sheets. Bake for 10-12 minutes until just firm. Remove to cool on a wire rack and repeat with remaining dough.
