Would You Like to Be the Second Amanda
Gorman?

Do You Want to Be Like Stan Lee?

The Schutz Association of Young Poets and Comic Book Writers

The MS/HS library is excited to start its Association of Young Poets and Comic Book Writers.

If you want to be the second Amanda Gorman or Shel Silverstein. If you want to be like Stan Lee, join Ms. Aline and I in the MS/HS library every Monday from 07:45 a.m. - 08:10 a.m. to write your poem(s), or create your own comic book. We will also help you design the cover to your work, so we can showcase it in the library. The Schutz community will acknowledge your work and celebrate your creativity at the end of the school year.

Dig deep into the poet and author in you, and come up with a unique piece of writing.
Check [this video](#) for more information.

For any questions/concerns, please email me at asaid@schutzschool.org.eg

And Remember "If there's a book that you want to read, but it hasn't been written yet,
then you must write it."
