## **Reading News**

**SUMMER READING 2022:** Here's hoping RLM students **ENJOY** many good books this summer! Our summer reading activity for 2022 is **READING BINGO!** This year, the Spring Street, Rose L. MacDonald, and Howard Schools will strive to team up with WB Public Library to have fun reading. Summer reading bingo boards should be updated routinely and shared at the town library for weekly incentives and prizes. Children entering Grades 1-6 will bring home their summer reading information next week. Be sure to hold on to this information and return the bingo card when your child comes back to school in September! Again, there will be a reward for those students who participate. The more you read and score, the greater the chance you will have to win a bigger prize! Read, read, read and enjoy, enjoy, enjoy!

The 3rd graders enjoyed their band demonstration last Friday. Signups are happening this week and are due to the Rose L office no later than tomorrow Friday, June 3rd. The links below have the letter that went home as well as the David French Music Instrument Rental information where you can rent your instrument, once I let you know what instrument your child will play (they need to pick 1st and 2nd choices). I try to always fulfill their 1st choice but need a 2nd choice just in case there are space problems.
