

intro:

zooms through thunderclan's forest towards the stream for the first half, then zoom into where Ashfur's dead body is, his eyes close right at the end

part 1:

"When I was younger I was certain"

Ashfur as an apprentice, his eyes open (connecting to the end of the intro) he walks past and looks at willowpelt and whitestorm cuddling.

"i'd be fine without a queen"

Ashfur shakes his head,

"just a king inside his castle"

show Ashfur on highrock looking down at the clan (no Firestar bc he's leader in this dream)

"with an ocean inbetween"

show Brambleclaw (his deputy in this dream) smile up at him and Ashfur looks proud (this is all in the old territory btw so no gorge camp)

part 2:

"now all i do is sit"

connected to the part before, the highrock fades away and he's sat on a small hill in the territory and he looks upset

"and count the miles from you to me"

Ashfur turns to the side and see's Squirrelflight and Brambleclaw watching the sunset together then quickly turns angrily,

"oh, calamity."

Ashfur looks up to the sky and open his mouth to say this line. then pan up into the sunset and add white flashed to the beats.

part 3:

"we get older by the hour"

flashback back to him as an apprentice, Ashkit and Fernkit becoming apprentices and bluestar is on the highrock,

"Watch the changes from afar"

Ashkit looks really proud and happy

"Keep forgetting to remember

Where we've been is who we are"

Ashpaw walks past brindlefacedustpelt, she looks really proud and Ashpaw grins at her. then just add some hunting and battle training with dustpelt.

part 4:

now all i do is wonder"

flashforward, Ashfur laying in the warriors den grumpily. he looks up, bags in his eyes. "why we ever set the scene"

he gazes outside, Squirrelflight and Brambleclaw are talking/laughing together, Leafpool is in the background smiling at them.

"oh calamity"

back to Ashfur, his mouth opens to say these lines; his claws scratching against his nest. Show Ashfur looking angrily on the beats.

part 5:

"its such a shame that we play strangers"

show Ashfur happily with Squirrelflight then on "strangers" she turns away to look at Brambleclaw, Ashfur looks confused.

"no act to change what we've become"

Squirrelflight looks at Ashfur, then focus on Ashfur's sad face, on "become" flames appear behind him and he is smirking, the three in the flames.

part 6:

"damn, its such a shame that we've--"

Squirrelflight give Ashfur a little cuddle on his chest before turning away and walking away from him.

"built a wreck out of me"

Ashfur looks heartbroken.

"oh, calamity" X2

On the first "Oh Calamity", he turns and runs out of camp past Leafpool, knocking her over and spilling the herbs she was carrying whos was carrying herbs and looks surprised. Ashfur runs to a tree close by camp tree angrily and claws it on the second "oh, calamity"

part 7:

"i'll remember nights alone"

FLASHBACK: show him walking out of the apprentices den at night, Fernpaw behind him

"and waking up to dial tones"

he stares down at brindleface's dead body in horror (fireheart and cloudpaw are gazing down at her body and some cats in the background behind them looking horrified.

"always found my greatest moments"

show Ashfur and his sister sitting beside her body, licking her fur.

"in the sound of your hello's"

focus on Ashpaw's sad face and on "hello's" he looks up in anger, dustpelt is in the background looking worried about Ashpaw.

part 8:

"now I struggle to recall"

Ashpaw and Fernpaw running up to the dogs and getting their attention

"the reasons you would come to leave"

show them running away from the dogs, Ashpaw looks determined and Fernpaw a bit scared

"oh, calamity"

they're sat in a tree as fireheart leads them away. on the beats he stares in anger towards the dogs.

part 9:

"it's such a shame that we play strangers"

the badger attack on camp: show cats fighting the badgers

"no act to change what we've become"

show Squirrelflight cornered, looking terrified, Ashfur jumps in front of her

part 10:

"damn, it's such a shame that we've built a wreck out of me"

Ashfur scratches the badger, but the badger knocks him to the wall and Brambleclaw saves her instead.

"oh, calamity."

flash forward, hawkfrost and Brambleclaw stood by the fox trap with firestar on

"oh calamity."

Ashfur is smirking evilly as he says it. (He's watching from the bushes!)

part 11:

Instrumental

on the first half of this part, show Ashfur sitting around in camp with random cats (idk like birchfall, whitewing, spiderleg) the second bit it starts raining, he looks up into the sky and sees lightning crash down into the forest and he gets up and runs.

part 12:

Background: *don't show any flames here, but the sky is black and its raining, lightning still crashing in the background.*

"if i catch you on the corner"

(Ashfur is higher up than Squirrelflight so she has to look up in this scene.) show the back of Ashfur and Squirrelflight in front, she looks up at him.

"will you even know its me?"

she looks up at him puzzled.

"will i look familiar to you?"

his face is plain, no expression.

"do you offer me a seat?"

*Lionblaze, Jayfeather and Hollyleaf run up behind her and Squirrelflight looks back at them,
worried*

part 13:

(still no fire.)

"can we find a new beginning?"

*Ashfur grabs a thick log into his mouth and carries it towards them over a gap which they
couldn't jump,*

"do you turn the other cheek?"

Ashfur waits for Squirrelflight to get up beside him and on "cheek" Lionblaze steps on it.

"oh, calamity"

Ashfur steps on it, above Squirrelflight, stopping the three from getting on.

part 14:

(no fire.)

"its such a shame"

Ashfur looking down at Squirrelflight with no expression.

"that we"

the three looking terrified

"play strangers"

zoomed out from them all, on the beat on strangers the fire appears all around them.

"no act to change what we've become"

*Ashfur is smirking, looking down at the three then back at Squirrelflight, who is looking
terrified.*

part 16:

"damn, it's such a shame that we play strangers"

Squirrelflight glares up at him and on "shame" she shouts at him in anger, Ashfur smirks.

"no way to change what we've become"

Hollyleaf glares up at Ashfur angrily, her claws out.

part 17:

"damn, it's such a shame that we've built a wreck out of me"

*Squirrelflight is looking down guiltily and on "shame" she speaks up, show a vision of Leafpool
and the three as kits in the snow, wrapped around her.*

"oh calamity"

Ashfur looks confused

"oh calamity."

Ashfur has stepped off and the three walk past Squirrelflight without looking at her, Hollyleaf is furious and Squirrelflight looks sad.

outro:

as the music plays just have a transition around the territory and into camp.

the first bit before "oh calamity"

show Ashfur watching Leafpool speak to Squirrelflight in camp, Squirrelflight looks distraught and Leafpool really surprised/scared, Ashfur smirks as Hollyleaf glares from the distance.

"oh calamity"

He is sat looking up into the sky by the river, Hollyleaf appears behind him in the bushes.

"come back to"

show Ashfur facing forward and Hollyleaf appears right behind him, looking angrily.

"Me"

show a tween of Hollyleaf leaping at Ashfur and on the final beat show Ashfur's dead body.
