Motion, Require Consent Talks at all Council, Regional, and International Events

Joint AZA and BBG Legislation

Makers: Olivia Ziegler, Evergreen; Olivia Potier, Eastern: North Carolina; Margalit Goldberg, Rocky Mountain
Marc Rosenthal, Greater Atlanta; Gabe Friedman, Mountain

Second: Kelly Fagel, 76th International Sh'lichah, Great Midwest; Abbie Johnson, 76th International S'ganit, Evergreen; Daniel Pearlman, 96th Grand Aleph Shaliach, Eastern: North Carolina; Chase Flagel, 30th Grand Aleph Moreh, Greater Atlanta; Emma Rosman, 3rd International Gizborit, Northern Region East: Northern Virginia; Zoe Sher, 76th International Mazkirah, Mid-America: Kansas City; David Wolf, Evergreen; Ellie Sims, Mountain; Lexie Goldman, Greater Atlanta; Sam Schulman, Eastern: North Carolina; Ellie Carter, Connecticut Valley; Nathan Zakim, Connecticut Valley; Marlie Thompson, Delta; Ben Budenstein, Eastern: Southeast; Emma Gendil, Eastern: Southeast; Danial Watts, Eastern: Virginia; Emily Kesser, Eastern: Virginia; Grant Katzenstein, Great Midwest; Caroline Silberberg, Hudson Valley; Gillian Beck, Lake Ontario; Eric Volgyi, Lake Ontario; Ethan Weisblatt, Lonestar; Michelle Mally, Miami; Estee Moss, Michigan; Ben Cohon, Michigan; Ian Hammer, Mid-America: Kansas City; Bree Katz, Mid-America: Kansas City; Abby Wallach, Mid-America: St. Louis; Grace Hirshfeld, North Florida; Yael Schuller, North Texas Oklahoma; Matt Grossman, Northern Region East: Baltimore; Alana Gordon, Northern Region East: Baltimore; Ruby Mendelson, Northern Region East: DC; Abby Kraden, Northern Region East: NoVa; Liana Friedman, Pacific Western; Hannah Borenstein, South Jersey

01 **Background:** Through an open letter published on eJewish Philanthropy followed by the Instagram platform
02 @jews4empoweredconsent, Jewish teens have called upon three Jewish youth organizations, including BBYO, to
03 address hookup culture within their communities, including anonymous submissions from BBYO teens of negative
04 experiences with the pressuring culture and incidents of sexual violence at BBYO events. Teens in more than 30
05 different North American communities have expressed that their councils and regions do not talk about consent at
06 all conventions and other non-chapter events, neither through programming addressing the topics of consent and
07 sexual violence, nor through its inclusion in the rules announced at the beginning of these events. Consent
08 education is an important tool to combat toxic hookup culture and ensure that teens feel safe, comfortable, and
09 welcome in BBYO spaces.

10
11 **Whereas,** each individual teen's personal safety is not only our Movement's most crucial priority, but its most
12 fundamental obligation; and

13
14 **Whereas,** teaching consent is a relevant extension of the guidelines set forth in BBYO's Code of Conduct, further
15 helping teens, staff, and advisors create a safe, inclusive, and welcoming environment for members and prospects
16 alike; and

17
18 **Whereas,** consent is a freely given, reversible, informed, enthusiastic, and continuous specific agreement to
19 engage in any intimate or sexual activity and is an essential part of teens' safety; and

20
21 **Whereas,** this issue poses an opportunity and expectation to engage with the necessary professionals and gain
22 further understanding on how to welcome and support survivors of sexual violence and teens of all gender
23 identities and sexual orientations; and

24
25 **Whereas,** BBYO must provide safe experiences for every Jewish teen to enable them to gain meaningful ones.

26
27 **Be it resolved that,** BBYO teen leaders, professionals, and external experts will take the first step in building a
28 comprehensive plan by establishing a working group that will be open for teens from around the Movement to
29 indicate interest in; and

30
31 **Be it further resolved that,** this working group will support all communities in fostering healthy relationships by

32 creating uniform talking points for council, regional, and international events that are adaptable, shame free, and
33 inclusive to all genders and sexual identities; and
34
35 **Be it further resolved that,** all regions, councils, and countries will be required to recite these talking points, in the
36 way that is most appropriate for the audience, that all teens in attendance agree to abide by; and
37
38 **Be it finally resolved that,** when these talking points are ready, staff and teens will receive training and guidance
39 by professionals on how to give this talk, address issues regarding consent in their communities, and build
40 environments that foster healthy relationships to ensure that teens feel safe at all regional, council, country and
41 international events regardless of whether they are in person or virtual.

Resolution, Celebrating the Global BBYO Community Growth in Chile, Montreal, and South Africa — Passed October 25, 2020
Joint AZA and BBG Legislation

Makers: Zoe Sher, 76th International Mazkirah
Berk Eraltan, 96th Grand Aleph Mazkir

Seconds: 76th International Board of the B'nai B'rith Girls
96th Grand Board of the Aleph Zadik Aleph

01 **Background:** BBYO's tremendous growth worldwide is continuous each and every year. As of this year, 55
02 countries engage in BBYO or affiliated programs, making us the preeminent Jewish youth organization on six
03 continents.
04 opportunities
05 year is no
06 and sisters into
07 *Yisrael* – the
08
09 **Whereas,** BBYO is the leading global Jewish pluralistic youth Movement; and
10
11 **Whereas,** BBYO has affiliates and membership communities in 55 countries around the
12 world, engaging more than 80,000 teens; and
13
14 **Whereas,** relationships amongst leaders, innovative collaboration, and
15 meaningful communication are increasingly frequent, productive, unifying, and effective in creating a community
16 without borders, whether geographical or linguistic; and
17
18 **Whereas,** there is a decades long history of deep relationships, shared experiences, and increasing international
19 participation at summer programs and ambassador experiences; and
20
21 **Whereas,** BBYO's commitment to stewarding and serving a global community has been and remains to be a vital
22 part of the Jewish experience for thousands of teens around the world; and
23
24 **Whereas,** the program growth and partnership in Chile, Montreal, and South Africa will help foster and
25 strengthen the Jewish culture and inspire Jewish youth in their communities, while amplifying the BBYO
26 experience worldwide;
27
28 **Be it hereby resolved that,** as a result of the organizational alliances formed by BBYO affiliates, JDC's Active
29 Jewish Teens (AJT), Hagoshrim, Hebraica, the JDC, Maccabi World Union, and BBYO International, we celebrate
30 our current roster worldwide: Albania, Argentina, Australia, Austria, Belarus, Bosnia and Herzegovina, Bulgaria,
31 Canada, Chile, China, Colombia, Costa Rica, Croatia, Cuba, Curaçao, Czech Republic, Denmark, Estonia, Finland,
32 France, Georgia, Germany, Hungary, Israel, Ireland, Italy, Kazakhstan, Kyrgyzstan, Latvia, Lithuania, Mexico,
33 Moldova, New Zealand, North Macedonia, Perú, Poland, Romania, Russia, Serbia, Slovakia, South Africa, Spain,
34 Switzerland, Sweden, Turkey, Ukraine, The United Kingdom, The United States of America, Uruguay, Uzbekistan,
35 and Venezuela.
36
37 **Be it further resolved that,** we proudly celebrate the renewed growth and community building in Chile,
Montreal, and South Africa.

**Motion, Establishing a 6th Programming Fold: Health
Legislation for the Grand Order of the Aleph Zadik Aleph**

Makers: Nathan Zakim, Connecticut Valley

Second: Ethan Weisblatt, Lonestar; Stone Gortowski, Northern Region East: NoVa; Zach Sprinkman, Wisconsin; Carson Busch, Mid America: St. Louis; Matthew Grossman, Northern Region East: Baltimore; Gabe Friedman, Mountain; Marc Rosenthal, Greater Atlanta; Sam Schulman, Eastern: North Carolina; Daniel Grafstein, Greater Jersey Hudson River Region: Central; Noah Pelberg, Kentucky Indiana Ohio; Blake Silver, North Texas Oklahoma

01 **Background:** Health: to be thankful for my health and to pray for the quick and full recovery of all that are ill. That
02 is currently the eighth cardinal principle of Connecticut Valley Region. It was set into motion in 2016 after Evan
03 Hyman, an Aleph from Leviticus AZA, my home chapter, died by suicide. From there, numerous Stand UP causes,
04 fundraisers, and charity events were set into motion to raise awareness of the pressing matters and stomp out
05 the stigma of mental health issues. Undoubtedly one of the most prevalent concerns of our generation, mental
06 health is but one area of concern on the spectrum of general well-being that needs attention. In CVR, the
07 principal was adopted to remind us to be thankful for our health as a gift. That same year, at the International
08 February Executives Conference, a Constitutional motion was passed allowing for future motions to include the
09 principle of health in both the BBG and AZA Constitutions.

10
11 Taking responsibility for one's own wellness is an important lifelong value that BBYO can help instill in tens of
12 thousands of teens around the world on an annual basis, and it should be a topic that is taught, rehearsed
13 through a myriad of experiences and activities, and role modeled by peers, advisors, and staff throughout the
14 movement. To ensure that its priority scales across the Order, adding this theme as a primary programming fold
15 will encourage Alephs and B'nai Brith Girls to put an emphasis on health via educational, social, and immersive
16 experiences.

17
18 In CVR, the principle was adopted to remind us to be thankful for the health that is present, rather than focusing
19 on all the negativity. That's all this motion would do: emphasize the positivity and teach us how to grow rather
20 than pointing out our flaws. More than a principle that people value, it should be a topic that is taught, practiced,
21 and used in effect. It needs to be a fold that's included into programming so that Alephs can be educated
22 specifically on this matter that affects all of us, because this matter does affect all of us, in one way or another.

23
24 **Whereas,** 1 in 4 adults experience mental illnesses every year; and

25
26 **Whereas,** Health education is motivation to improve and maintain health, prevent disease, and reduce risky
27 behaviors. Health education curricula and instruction help teach skills used to make healthy choices throughout
28 their entire lifetime; and

29
30 **Whereas,** unhealthy relationships with family, peers, significant others, and more is a serious problem among any
31 age demographic Learning how to identify unhealthy relationships and combating them with strong, supportive
32 relationships within our movement can lead to improved conditions, safety, and physical wellbeing; and

33
34 **Whereas,** Every community can benefit off of being prepared for health-related issues when faced, again
35 especially considering the current COVID-19 pandemic; and

36
37 **Whereas,** About 1 in 5 young people suffer from a mental health-related illness. As an organization that reaches
38 80,000 teens worldwide, the movement should better leverage the positive impact BBYO involvement can have
39 on teens to help them thrive; and

40
41 **Whereas,** during the current COVID-19 pandemic it is especially important to ensure the safety and well-being of

42 friends and family, both mentally and physically; and

43

44 **Whereas**, Everyone can benefit from being better prepared to face health-related issues, and a focus on health
45 certainly aligns with BBYO's efforts to prepare Alephs and BBG's for life beyond high school; and

46

47 **Whereas**, it will help Alephs spot health-related issues as they're happening, possibly enabling them to change
48 the scenario where they would have been ill prepared otherwise; and

49

50 **Whereas**, it will help Alephs understand when to reach out for help and erase the stigma around asking qualified
51 professionals for help; and

52

53 **Be It Hereby Resolved That**, in an effort to diminish risky behavior, self harm, and unhealthy habits among the
54 youth population, Grand Constitutions, as well as the AZA Membership Manual (Blue Book) shall be updated with
55 the following language: The AZA Programming fold of "Health" shall be added with the description: "To practice
56 healthy habits, educate Alephs on the skills necessary to help recognize health related issues in others, and give
57 them the tools to take the correct course of actions when required."

All data citations are examples of and in reference to the U.S. population and from the National Alliance on Mental Illness (NAMI).

**Motion, Establishing a 7th Programming Fold: Health
Legislation for the International Order of the B'nai B'rith Girls**

Maker: Ellie Carter, Connecticut Valley

Second: Olivia Ziegler, Evergreen; Sarah Weinreich, Big Apple; Bree Katz, Mid America: Kansas City; Abby Wallach, Mid America: St. Louis; Margalit Goldberg, Rocky Mountain; Alana Gordon, Northern Region East: Baltimore; Aline Cosac, Uruguay; Yael Schuller, North Texas Oklahoma; Gillian Beck, Lake Ontario; Eliana Goodman, Ohio Northern; Arin Hirsch, Wisconsin; Grace Hirshfeld, North Florida; Abby Avin, New England; Ellie Sims, Mountain

01 **Background:** Health: to be thankful for my health and to pray for the quick and full recovery of all that are ill. That
02 is currently the eighth cardinal principle of Connecticut Valley Region (CVR). It was set into motion in 2016 after
03 Evan Hyman, an Aleph from Leviticus AZA, died by suicide. From that point on, numerous Stand UP causes,
04 fundraisers, and charity events were set into motion to raise awareness about this pressing matter and stomp out
05 the stigma surrounding mental health. Undoubtedly one of the most prevalent concerns of our generation,
06 mental health, is but one area of concern on the spectrum of general wellbeing that needs attention. In CVR, the
07 principle was adopted to remind us to be thankful for our health as a gift.

08
09 Taking responsibility for one's own wellness is an important lifelong value that BBYO can help instill in tens of
10 thousands of teens around the world on an annual basis. It is a topic that should be taught, rehearsed through a
11 myriad of experiences and activities, and role modeled by peers, advisors, and staff throughout the Movement.
12 To ensure that its priority scales across the Order, adding this theme as a primary programming fold will
13 encourage B'nai Brith Girls to put an emphasis on health via educational, social, and immersive experiences.

14
15 In CVR, the principle was adopted to remind us to be thankful for the health that is present, rather than focusing
16 on all the negativity. That's what this motion is proposing: we should emphasize the positivity and teach us how
17 to grow rather than pointing out our flaws. More than a principle that people value, it should be a topic that is
18 taught, practiced, and used in effect. It needs to be a fold included in programming so that BBGs can be educated
19 specifically on this matter that affects all of us.

20
21 **Whereas,** 1 in 4 adults experience mental illnesses every year; and

22
23 **Whereas,** Health education is a motivation to improve and maintain health, prevent disease, and reduce risky
24 behaviors. Health education curricula and instruction help teach skills used to make healthy choices throughout
25 an entire lifetime; and

26
27 **Whereas,** unhealthy relationships with family, peers, significant others, and more are serious problems among
28 any age demographic. Learning how to identify unhealthy relationships and combating them with strong,
29 supportive relationships within our Movement can lead to improved conditions, safety, and physical wellbeing;
30 and

31
32 **Whereas,** Every community can benefit from being prepared for health related issues, especially considering the
33 current COVID-19 pandemic; and

34
35
36 **Whereas,** About 1 in 5 young people suffer from a mental health related illness. As an organization that reaches
37 80,000 teens worldwide, the Movement should better leverage the positive impact BBYO's involvement can have
38 on teens to help us thrive; and

39
40 **Whereas,** During the current COVID-19 pandemic it is especially important to ensure the safety and wellbeing of
41 friends and family, both mentally and physically; and

42

43 **Whereas,** Everyone can benefit from being better prepared to face health-related issues, and a focus on health
44 certainly aligns with BBYO's efforts to prepare BBGs for life beyond high school; and

45
46 **Whereas,** This fold will help BBGs spot health-related issues as they're happening, possibly enabling them to
47 change the scenario where they would have been under-prepared otherwise; and

48
49 **Whereas,** This fold will help BBGs understand when to reach out for help and erase the stigma around asking
50 qualified professionals for help; and

51
52 **Be It Hereby Resolved That,** in an effort to diminish risky behavior, self harm, and unhealthy habits among the
53 youth population, the International Constitution of the B'nai B'rith Girls, as well as the BBG Membership Manual
54 (Red Book) shall be updated with the following language: The BBG Programming fold of "Health" shall be added
55 with the description: "To practice healthy habits, educate BBGs on the skills necessary to help recognize health
56 related issues in others, and give them the tools to take the correct course of actions when required."

All data citations are examples of and in reference to the U.S. population and from the National Alliance on Mental Illness (NAMI).
