

WAIVERS & CHILD NUTRITION PROGRAM

WAIVER OF STUDENT FEES

Students whose families meet the income guidelines for free and reduced price lunches, the Family Investment Program (FIP), Supplemental Income (SSI), transportation assistance under open enrollment, or who are in foster care, are eligible to have their student fees waived or reduced. Students whose families are experiencing temporary financial difficulty may also be eligible for a temporary waiver of student fees. Parents of students who believe they may qualify because of temporary financial hardship may obtain a waiver form at the principals' offices. This waiver does not carry over from year to year and must be completed annually.
