

# **Welcome to Stained Glass Art!**

I look forward to meeting you in class. Please review the tips, instructions, and supply list to help the class run smoothly. The supply list is posted on the <u>Seattle Central College Continuing Education (SCC CE) website</u>.

## Reminders

- 1. Sign up for SCC emergency notifications on the <u>SCC CE website</u>.
- 2. Always bring all required materials to class, including:
  - Scissors
  - An N95 mask (protective face mask)
  - Two printed stained-glass patterns (see free pattern links below). Patterns should match the size of glass you plan to cut.

## **Materials Students Need to Purchase**

Check the full supply list on SCC CE website.

### **Stained Glass**

- Some art supply stores require an appointment—call ahead.
- Choose thin, colored transparent glass. Avoid thick or frosted glass (harder to cut).
- For specific information on where to find materials, please contact the instructor directly.

#### **Pattern Resources**

Start simple, perhaps four connected pieces of glass, then try more complex designs as your skills grow. Free patterns:

- Delphi Glass Free Patterns
- Stallings Glass Free Patterns
- Best Glass Patterns Free Patterns
- Birch Glass Free Patterns
- The Avenue Stained Glass Free Patterns

### **Video Resource**

Watch this short video on materials for stained glass.

See you in class!
