

Voidling Masterlist

Voidlings are failed Voidkin, and most often look like small blobs with teeth or eyes.

Voidlings are a **CLOSED SPECIES** created by Vin. You **MUST PAY** to make your own voidling, and otherwise must state that your voidling is a concept until it is paid for.

This masterlist is run by **Coney/Rose** (*honeyrosely#2411*)

+*:☐ Please put all updates (trade updates, reference sheet updates, name updates, etc) in the Trading Updates channel, **and please ping Coney to ensure she doesn't miss it.** +*:☐ Credits to Val (Sharkcryptid#4444) for the document layout.
