Bio Full Length:

Dianna Nicole is a powerhouse **Keynote Concert Speaker, Singer, Author, Business Consultant, and Million-dollar entrepreneur** on a mission to help people reinvent their lives and build income and impact in the modern digital world.

For over a decade, she has inspired audiences on more than **100 stages** and impacted over **200,000 people** worldwide through her signature Keynote Concert experience, a unique blend of keynote speaking, real-life storytelling, live music, and practical strategies that move hearts and spark lasting change.

Dianna has been featured on **NBC, CBS, FOX,** and in publications such as **Women's Insider, Hallels, Path Magazine, BITV, and The Urban Music Scene.** Her work as an award-winning artist has earned honors including "Urban Contemporary Artist of the Year" at the Prayze Factor People's Choice Awards. She has performed alongside artists such as Tiff Joy, TSO of Tyscot Records, Atmosphere of Heaven, and Michael Stuckey, and has even sung for music industry legend Joe Jackson.

Her entrepreneurial journey is just as powerful as her music. **Starting with only $39 in her first month online, Dianna scaled her business to over $1 million in sales within six months.** Today she teaches others how to leverage social media, digital products, and modern online business strategies to create financial freedom and new possibilities in their lives.

Through her company **Happy Lady, Happy Life,** Dianna helps women reinvent their lives, build income online, and grow into lives filled with freedom, purpose, and impact.

When she is not speaking or creating, Dianna is often living what she teaches by traveling the world with her family, flipping hidden treasures for fun, or sharing her passion for raw vegan living and freedom-focused adventures. For her, flipping is more than a hobby. It is a philosophy that reminds us that life is about discovering value and potential where others might overlook it.

Dianna Nicole believes every person was born for more. More growth, more purpose, and more freedom. She is passionate about helping people take the steps to build the life they know deep down they were meant to live.
