Bio Full Length:

Dianna Nicole is a powerhouse **AI & Social Media Consultant, Keynote Concert Speaker, Singer, Author, and Million-Dollar Entrepreneur** on a mission to help leaders and entrepreneurs transform not just their work, but their whole lives.

For over a decade, she has inspired audiences across **100+ stages** and impacted more than **200,000 people** worldwide by blending powerful keynote speaking, real-life storytelling, live music, and cutting-edge digital strategies into experiences that move hearts and spark lasting change.

Dianna has been featured on **NBC, CBS, FOX**, and in publications like **Women's Insider, Hallels, Path Magazine, BITV, and The Urban Music Scene**. Her work has earned her honors such as "Urban Contemporary Artist of the Year" at the Prayze Factor People's Choice Awards, and opportunities to perform alongside major artists like Tiff Joy, TSO of Tyscot Records, Atmosphere of Heaven, and Michael Stuckey...even singing for industry legends like Joe Jackson.

Dianna's entrepreneurial journey is as inspiring as her music. **Starting with just \$39 in her first month online, she scaled her business to over \$1 million in six months**, proving that with the right tools and the right heart, massive transformation is possible. Through her company **Happy Lady, Happy Life** and programs like the AI Authority Accelerator and TikTok Shop Unlocked, she equips people to harness innovation, creativity, and resilience to thrive.

When she's not speaking or creating, Dianna is often living what she teaches: traveling the world with her family, flipping hidden treasures for fun, or sharing her passion for raw vegan living and freedom-focused adventures. For her, flipping isn't just a hobby, it's a philosophy: a reminder that life is about finding value and potential where others might overlook it.

Dianna Nicole believes you were born for more; more growth, more purpose, more freedom. And she's here to help you flip the script on your story, leverage the power of AI + Social Media, and build the life you know deep down you were meant to live.
