

NORTHERN VIRGINIA SWIMMING LEAGUE

2024 Scholarship Information and Application

Deadline for Submission: June 10, 2024, at 10:00 pm

Scholarships are awarded each year by the Northern Virginia Swimming League to recognize NVSL graduates' outstanding contributions to the league, their sport, and their communities, and to defray a portion of their continuing education expenses. Every graduating high school senior is encouraged to apply for the NVSL scholarships. Please note that athletes who have accepted swim/dive scholarships to a Division I or Division II school are, as a general rule, ineligible for an NVSL scholarship according to NCAA guidelines. For any other questions regarding eligibility, please refer to the current NVSL Handbook.

Swimmer/diver's commitment and contributions to their team and their sport are of primary importance. School and community involvement are also considered. The essay is a valuable opportunity to emphasize these attributes and allow the selection committee to learn more about the athlete as a person. The recommendation letters also enhance the committee's knowledge of the applicant and are a crucial part of the submission. A swimmer/diver does not need to continue competing in college to be eligible for these awards.

Grades and test scores are not considered.

The scholarships will be awarded to the top five candidates. Each award for 2024 will be \$1,500. The following scholarships will be awarded:

Community Service Scholarship

Created in honor of long-time NVSL volunteer George MacDuff and his daughter Melinda. George served many years as the league's Records Chairman.

Excellence in Technique Scholarship

Created in 2017 by a grant from Mr. Lou Sharp's estate. Lou Sharp was a strong supporter of the NVSL through the Competition Swim Clinic that he founded. Under Lou's guidance, generations of swimmers learned their swim strokes and a love for the sport of swimming.

President's Scholarship

This scholarship was named in honor of all those volunteers who have served the youth of Northern Virginia and, in particular, those who have served as President of the NVSL.

Spirit Scholarship

Created in memory of Olivia Aull to recognize spirited swimmers and divers within the NVSL community.

Sportsmanship Scholarship

Created in honor of Joan Olson, a dedicated advocate for sportsmanship and long-time volunteer, who served as an NVSL Director and Seeding Committee Chair.
