

Korean meals consist of the basic dish - rice, soup, 5-10 side dishes - with the main dish.

### **Mandu (Korean Dumplings)**

Mandu is a general term for Korean dumplings that consist of a savory filling wrapped in thin wrappers. I've been making some variations of this Korean dumpling recipe for decades. They are so delicious and versatile! Hope you'll try making your own dumplings at home with this easy step-by-step mandu recipe.
