

Elementary Computer Science Professional Learning Community Meeting

Wednesday, January 15, 2020 ♦ 4:00 to 6:30 PM ♦ C&I Multipurpose Room

Goals

1. Learn from and share best practices with colleagues.
2. Deepen knowledge and skills in computer science.
3. Develop understanding and facility with the curriculum.
4. Build a collaborative and supportive community.
5. Maintain equity at the forefront of our work.
6. Have fun! 😊
