

MS Digital Piano - September 2013 - \$1,100

Proposal letter from Terryl Donovan to Arts Angels September 3, 2013:

The music teachers at the Middle School have requested the purchase of a digital piano similar to the one that is used at the High School. This professional grade digital piano is needed for the Middle School rehearsal room where all choral, orchestra and band rehearsals are now held. In addition, most vocal lessons are held in the rehearsal room where there is currently no piano.

The model the teachers have requested is a Yamaha YDP-142 Arius Home Digital Piano with Bench, 88 Keys, 3 Pedals, Rosewood. An on line search was conducted in June with the lowest price (\$1,099.00, free shipping, no tax) coming from Musicians Friend.

I am wondering if the Arts Angels will agree to purchase this digital piano for use by the Middle School Music Department with allocated funds. It can be shipped as follows:

North Shore Middle School
505 Glen Cove Avenue
Glen Head, NY 11545
Att: Brian Messemer

Reviewed at Arts Angels September 2013 meeting = agreed to pay by check

Letter from Terryl Donovan to Board Secretary Betty Ciampi - September 25, 2013:

Can you include the following donation from the Arts Angels on the next Board of Education meeting agenda? (October 10) Many thanks:

Thank you note from teacher October 31, 2013:

Dear North Shore Arts Angels,

On behalf of all music teachers at the Middle School, I would like to give my sincere thanks to the Arts Angels for so generously purchasing our new digital piano. Thank you for taking the time to listen and understand our need for a quality piano that will fit in our already crowded rehearsal room, and for responding so brilliantly.

Sincerely yours,
