

English Corner Presents **Service**

Service is anything we do in the spirit of helping others. When serving others we also develop many wonderful qualities. Service connects self-improvement to the improvement of the world around us. Today, let's use English to learn from each other about service.

1. Describe a memorable time when another person did an act of service for you.

When you meet a stranger, speak to him as to a friend. If he seems to be lonely try to help him and give him your willing service. Doing this, you will show, not only in words but in deeds and in truth, that you think of all men as your brothers.
