Provide Greater Access to STEM Education to All Students

Rachel Y.

**Director of Bridgewater, New Jersey Chapter
Tutor
San Antonio Math Include**

Rachel is part of the Class of 2022 at the Academy for Health and Medical Sciences. Her favorite subjects are math and biology, and she has participated in several math competitions in the past, such as the AMC 10/12. In her free time, she enjoys reading long book series and playing board games with her friends. She has experience instructing students of all ages on subjects ranging from school math to internet safety. She hopes she can inspire young students to explore fields of STEM and is excited to tutor at SaMi.
