

Frequently Asked Questions (FAQs)

I. Can I apply for a national assistant position while I still hold my position in my Local Chapter?

- Yes, you can! You would not need to forfeit your position in your Local Chapter.

II. Is it possible to apply to more than two National Assistants positions?

- Unfortunately no, according to our Bylaws, one person can only hold one position at a time. But since we have a lot of positions open this term, the National EB and SupCo will look into how we will be able to fill up vacant positions after the 2nd and/or 3rd call is finalized.

III. I am from a candidate member LC. Am I eligible to apply?

- Most definitely! You can apply all the same.

IV. I have just sent in my applications. What do I do next?

- If you have completed the Google form and sent in all the necessary documents, what remains is to get prepared for your interview and to check your email regularly.

V. What happens if I don't make the cut?

- If you don't get the position on the first call, you can apply again either to the same position or another on the second call.
