

Professional Growth Plan

Your Name:

Division(s) taught:

Pre-Observation (November): Write 2-3 sentences summarizing a strength and goal in each domain below, taking into consideration the prior year's review.

Post-Observation (by March/April): Write narrative reflection of performance for each domain, taking into consideration last year's review, the goals set in the fall, and the standards within each domain. This should be completed before the final review meeting.

****Teachers who are returning may update a previous PGP and modify goals based on prior feedback.**
