Daytime volunteers needed to support Leeds Ball Tent Set Up

We need marshals to help direct students and staff between 9am and 4pm while the stretch tent for Leeds Ball is being set up in the Precinct.

If you can spare an hour or two on Friday 6 June during the day, please pop your name on [this rota](#); ideally we would like to have four people every hour so do bring a colleague with you.

If you have any questions, please contact Dave at d.olson@luu.org.uk.

Summer Shining Stars- Have you put in your nominations?

It is nearly time to celebrate our Summer Shining Stars, our amazing people who have positively impacted their team and others in the organisation.

You can nominate anyone in LUU as a Shining Star all year around. Our scheme is only as good as the nominations that go in, so don't be shy, get nominating your colleagues.

All nominations received by 10 June 2025 will be considered for our Summer Shining Star awards, where our winners receive a £100 voucher. Any nominations received after this date will be celebrated in our Winter Shining Star awards.

Love to Learn – Wellness Action Plans

Wellness Action Plans are tools designed to help you manage your mental health at work. They are personalised plans which are tailored specifically to you and can be used regardless of whether you have a mental health condition or not. They can help you identify what keeps you well at work, what causes you to become unwell, and any support you might like to receive to boost your wellbeing.

On Love to Learn, there is a course that goes through what a Wellness Action Plan is, the process of filling one out, and ways you can stay well at work.
