

# PRAYERFUL STEPS TO FREEDOM

1. CONFESS      the specific sin/lie/vow/agreement that you and your ancestors partnered with instead of acknowledging YHWH in all your ways, and ask Him to forgive you and them.
  
2. RENOUNCE    the specific sin/lie/vow/agreement that you partnered with in the name of Yeshua the Christ of Nazareth.
  
3. REVOKE      all claims that you have given to satan in the name of Yeshua the Christ of Nazareth.
  
4. ANOINT      your self (or whoever is being prayed for) with oil blessed in the name of Yeshua the Christ of Nazareth. Decree aloud that you (the person being prayed for must do this themselves) are cancelling the programs of satan in the name of Yeshua the Christ of Nazareth.
  
5. INVITE      Yeshua the Christ of Nazareth into every place in your domain where these partnerships have been. Ask Him to wash away the residue of them with His blood. Invite the Holy Spirit of Yeshua the Christ of Nazareth into these same places, and ask Him to dwell there forever more.
  
6. FORBID      retaliation from Lucifer, his fallen angels, nephilim, binders, demons, witches, warlocks, sorcerers, and wizards against you and your pet's (and whoever prayed this with you) and their domains in the name of Yeshua the Christ of Nazareth.
  
7. ASK          YHWH in the name of Yeshua the Christ of Nazareth to close all doors and windows that are open in your domain that you are eligible to have closed.
