6	Vas a escribir un artículo sobre tu familia: • Cómo era tu situación en casa cuando eras pequeño y como es ahora. • ¿Crees que es importante el matrimonio?	• Excellent bullet point to use imperfect and present tense. Key verb here is LLEVARSE BIEN/MAL CON= TO GET ON WELL/BADLY WITH give reasons why! • Give your opinion about marriage and why/ why not it is important to you. Write about your intentions in the future to get married: EN EL FUTURO PIENSO FORMAR UNA FAMILIA/ TENDRE HIJOS/ ME CASARE excellent opportunity to mention your future plans for university/ jobs etc...

7	Vas a escribir un artículo sobre los problemas sociales en el mundo: • Los problemas que tiene la gente sin techo y los más pobres • Cómo se pueden solucionar los problemas sociales en el futuro	• You can make it simple or more complicated. You can say that homeless people don't have a place to live or food to eat. They don't have heating in their houses if they have a house, they can be the victims of crime, they cannot go on holidays and experience other cultures, they don't go to university and are unemployed. You will use the verb PODER (To be able to/ can) Puedo/puedes/puede/ Podemos/ podeis/ pueden + infinitive You can use the expression, TENER LA OPORTUNIDAD DE You can use the expression, if I was mayor, I would.... (si fuera alcalde....) You must use the conditional tense (I would....) You can also mention what you will do in the future and link the topic to volunteering work. I will work as a volunteer for a charity to help disadvantage people. For grade 8/9 you can link the bullet point to a famous person you admire for their charity work as an example of what famous people could do: la gente famosa debería ayudar. Por ejemplo, Rafa Nadal.....
8	Vas a escribir un artículo sobre tu trabajo: • Cómo te preparas para una entrevista de trabajo • Tus planes para el futuro	• This can be difficult but you can link this bullet point to work experience and daily routine verbs: I get up early, I dress smartly, I prepare questions and answers, I do a work experience in order to learn to work as a team and new abilities, I work part time and talk about my experiences in these jobs.PRESENT TENSE • Future tense: plans regarding your job, will you go to uni? Why is it important to go to uni? The job of your dreams, will you take a gap year? Will get married? Remember to use the Subjunctive for grades 8/9 Cuando termine la Universidad... you can mention about learning a language and why this is important . Mention briefly about a job you did in the past and how you realised you wanted to do that job in the future! MEDI CUENTA DE QUE.... (I realised that)
9	Vas a escribir un articulo sobre el medio ambiente: • Qué problemas con el medio ambiente hay hoy en día en tu ciudad y qué va a hacer para ayudar	

	Las ventajas e inconvenientes de vivir en la ciudad y el campo	
10	Vas a escribir un artículo sobre tu vida: - Menciona algo que hiciste con tus amigos en el pasado que te hizo feliz - Las opciones de estudios y trabajos que tienen los jóvenes y qué vas a hacer tú	- This is another open question: you can mention a visit to the cinema, a holiday you went with your friends, a festival, such as La Tomatina, that you visited. Explain what you did, why and give opinions! - You can mention that young people can do a work experience and work in something practical and the advantages of this, TE AYUDA A.... TE PERMITE... you can mention they can go to university and have a job later, learn a language, take a gap year etc... you will use the verb PODER PUEDEN (They can) or SE PUEDE (you can) Write about yourself and your plans regarding jobs and getting married and why.
11	Vas a escribir un blog sobre el dinero y las compras: - Describe la importancia del dinero en tu vida - Una visita especial que has hecho recientemente a un centro comercial.	The first bullet point may seem very difficult the first time you look at it! But it is not!: you can mention firstly if money is important in your life or not and why. If you go for the “yes” answer you can give reasons such as: it allows you (TE PERMITE) (TE AYUDA A) (SE PUEDE) to go on holidays every year for example, last year I went to... you can say that that money allows you to go out with friends at the weekends, go to the cinema, go to restaurants, buy apps in your mobile, go shopping. Most important! You can relate your answer to homeless people and celebrities: if you have money, you can help those in need (DESFAVORECIDOS) you can raise money for them. You can write about how famous role models (MODELOS A SEGUIR) such as Shakira or others have set up (MONTAR) their own charities and use money to help society. Remember to include future/conditional! (SI TUVIERA MAS DINERO + CONDITIONAL) You can say that money is not important in your life because for you it is more important the relationships you have with your friends and family and people are too materialistic. You can say you can go out with your friends without spending money: you can play sports, go to the park, watch a film at home. You can also relate your “no” answer to homelessness: the important thing is to raise money and to think of people in need.

		The second bullet point is very straight forward! You can link this to a celebration, for example your birthday or the end of exams and what you did. I went to... because it was my birthday.... You can list what you bought and why and what you would have like to buy (ME HABRIA GUSTADO)
12	Durante tus vacaciones en España escribes un blog para describir tus experiencias: - Menciona un día de las vacaciones cuando tuviste problemas - Un festival en España en que te gustaría participar	- This is a very straight forward question! Problems during holidays: PERDER EL PASAPORTE, PERDER EL AVION, ME MAREÉ Y VOMITÉ EN UNA MONTANA RUSA, TUVE UN ACCIDENTE Y TUVE QUE IR AL HOSPITAL , TUVE QUE IR A COMISARÍA. Of course you also need to give negative opinions! - We have studied the festival of La Tomatina so just adapt it to the future: ME GUSTARIA IR A LA TOMATINA PORQUE... MIS AMIGOS FUERON EL ANO PASADO Y DICEN QUE... (describe what your friends did) also you could say that you went last year and you would like to return because it was an unforgettable experience and last year you would have liked to do something you couldn't and would like to do it this year. EL ANO PASADO CUANDO FUI AL FESTIVAL ME HABRIA GUSTADO CONOCER A MAS GENTE ESPANOLA POR LO TANTO ME GUSTARIA VOLVER A VALENCIA Y CONOCER GENTE ESPANOLA Y HABLAR ESPANOL....
13	Tu colegio quiere articulos para su revista digital con el título “la vida de los jóvenes” Decides escribir un artículo con esta información: - Un día memorable que tuviste en el colegio - Tus recomendaciones para el tiempo libre	- For the first bullet point you can write about an excursion you went to at school or a charity event you participated in at school. - The second bullet point is easy! EN TU TIEMPO LIBRE SE PUEDE + INFINITIVE you can refer to extreme sports, going to a concert, listen to music, you can recommend the music you like and why, you can write about sport you do and how long you have been doing them for.
