Download Available Title Assets [HERE](#)

Note: Asset credit is listed below each title

Series Title: Let's Play

Premieres: Coming Soon 2025

Animation Studio: OLM

Genre: Romance

Trailer: <https://www.youtube.com/watch?v=i6gyDCxqNIU>

Synopsis: Samara "Sam" Young is a developer in Los Angeles who's about to achieve her dreams with her first video game, *Ruminate*. That is, until a popular streamer gives the game a scathing review. Even worse, Sam finds out the troublesome critic is now her new neighbor! Get lost in a comedic, romantic, and all-too-real story about gaming, memes, and social anxiety. Come for the plot, stay for the doggo.

Territories: Worldwide excluding Asia, but including India and Southeast Asia

Series Title: Otherworldly Munchkin: Let's Speedrun the Dungeon with Only 1 HP!

Premieres: October 2025

Animation Studio: Durandal

Genre: Fantasy, Action, Adventure

Japanese Trailer: <https://www.youtube.com/watch?v=9EdDQ2QNmEs>

Synopsis: 16-year-old Yukito Kirihaara lives with his 14-year-old sister Sana, who he treasures more than anyone else. But when an ogre shows up outside of his window looking for Sana (a shocking event in its own right), Yukito leaps to save her—and is killed. He's offered the promise of reincarnation by a mysterious woman, who gives him a character sheet in a mysterious book. But when Yukito sees Sana in there, too, he sets off to find her, and save them both—even if he only has 1 hp with which to do it!

Territories: Worldwide excluding Asia but including India
