"It does all it says. Boosted creativity, less internal drama, more focus, less brain fog. It gives you peak mental performance." ~ Jordan F.

This scientifically-balanced focus pill helps you create the mental space for creativity.

How? With ingredients that support the 4 most important areas of brain performance:

- Energy [Coffeaberry®, theobromine, B vitamins]
- Clarity [L-theanine, alpha-GPC, huperzia serrata]
- Memory [Bacopa, ginkgo, rhodiola rosea, celastrol]
- Productivity [Velvet bean extract, N-acetyl-L-tyrosine]

It's the only nootropic supplement made with a whole-systems approach, so it's designed to elevate every part of your mind. So you can find it easier to slip into flow and break down the barriers between you and your goals.

Subject: Boost Your Focus Today

Are you worried that you'll never finish your work? Are you tired of constantly procrastinating?

There is a way to enhance your brainpower, a method to extract those brilliant ideas.

And No! it's not about crazy breathing techniques or consuming five cups of coffee, only to end up with caffeine jitters.

With this approach, you can bid farewell to procrastination and the fear of running out of ideas.
