Please describe the areas of Significant Influence for this nominee (no more than 300 words): The Art Park would not exist without Chris and Jim. They have shown tremendous vision and unwavering support for the Park since the Park's existence. The MacInnes's have been instrumental in preserving the history of Crystal Mountain, Thompsonville, Benzie County, and the Art Park. Part of their vision for Crystal is a commitment to healthy lifestyles; and Crystal Mountain Resort is filled with artwork from artists having a connection to northern Michigan. They have had significant influence in all 4 areas identified above.

Please describe any research completed to learn more about the nominee. Please attach any biographical information, biographies, CVs, etc. as well as any links to relevant articles, exhibits, books, movies, etc.
