## Clubs & Activities 2025-2026

| Club                                                                | Advisor                    | Day                    | Description                                                                                                                                                                                                                                                                                                        |
|---------------------------------------------------------------------|----------------------------|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MONDAY ACTIVITIES                                                   |                            |                        |                                                                                                                                                                                                                                                                                                                    |
| <b>Courtyard Club - beginning in October</b>                        | Mr. Mather                 | Mondays                | Students in the BMS Courtyard Club will work together to enhance the beauty of this space and to cultivate a harvest from our extensive vegetable garden. Activities include weeding, raking, planting, pruning and painting. If you like gardening and yard work, this is the place for you.                      |
| <b>Yearbook</b>                                                     | Ms. Girouard & Ms. Lunedei | Mondays                | Do you love to go to social events and take candid pictures? Or maybe you like to design backgrounds for the yearbook pages. If either of these apply to you why not try joining the Yearbook Club.                                                                                                                |
| <b>Sewing Club beginning in October</b>                             | Mrs. Canterbury            | Mondays                | Learn to sew! We will start with some hand sewing techniques and learn the basics of both hand sewing and machine sewing. Come join us and explore your creative side!                                                                                                                                             |
| <b>GSA</b>                                                          | Mrs. Strassel<br>Room 222  | Mondays                | GSA is a student-run club, which provides a safe place for students to meet, support each other, talk about issues related to sexual orientation and gender identity and expression, and work to end homophobia and transphobia.                                                                                   |
| <b>Outside the Classroom - "Best Buddies"</b><br><b>STARTS 10/6</b> | Mrs. Perry & Ms. Fasoli    | Mondays                | Outside the Classroom is a club that brings students with and without disabilities together to socialize and participate in activities around the school and community.                                                                                                                                            |
| <b>Book Club</b>                                                    | Mrs. Riggle                | Mondays                | BMS Book Club with Mrs. Riggle will be for grades 6-8. Please join us in the library for great discussions about books and promoting reading in our school. Can't make it every week? No problem! See Mrs. Riggle for a copy of our current read.                                                                  |
| <b>STEAM Club</b>                                                   | Both Ms. Aflagues          | Mondays<br>Grades 6-12 | STEAM Club, where Science, Technology, Engineering, Arts, and Mathematics come together in a vibrant and creative community grades 6-12! Our club is dedicated to fostering a love for these interconnected fields through hands-on projects, collaborative activities, and exciting challenges at both BMS & BHS. |

### Clubs & Activities 2025-2026

|                    |               |         |                                                                                                                                                                                                            |
|--------------------|---------------|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gaming Club</b> | Ms. MacKenzie | Mondays | Come for a casual game of table top RPGs, work on character creation, workshop campaign ideas, or watch established YouTube groups. Open to all grades and all player levels from beginner to Game Master. |
|--------------------|---------------|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| Club                      | Advisor       | Day      | Description                                                                                                                                                                                                                                                                                                                                |
|---------------------------|---------------|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| TUESDAY ACTIVITIES        |               |          |                                                                                                                                                                                                                                                                                                                                            |
| <b>Art Club</b>           | Mrs. Girouard | Tuesdays | “Art is too important not to share” (Romero Britto). Do you like to be creative? In the Art club, we will beautify our school and our community. Some days we will work on individual art work, and other days will be collaborative, like decorating bulletin boards. If you are interested in sharing your talents, join me on Tuesdays. |
| <b>BMS Community Band</b> | Ms. MacKenzie | Tuesdays | Open to all staff and students. Fall will focus on jazz band music and Spring will focus on a competition piece with the ultimate goal of representing BMS at a local music festival. This ensemble will perform in both the winter and spring concerts. See Ms. MacKenzie for more information!                                           |

| 6th/7th Grade Flag Football                                                    | Mr Colella & Mr. Doran      | Thursdays                       | Flag football is drop in - just show up and play! <b>6th and 7th grade</b> students welcome - join the fun!                                                                                                                                                                                                                                                                                                                        |
| Fall: soccer/lacrosse<br><br>Winter: basketball<br><br>Spring: soccer/lacrosse | Ms. Murkland & Mr. Reynolds | Thursdays                       | Drop in. <b>Lacrosse will only be passing and wall ball. Bring your own stick.</b>                                                                                                                                                                                                                                                                                                                                                 |
| Peer Leadership<br><b>Starts October 2nd</b>                                   | Mrs. Clifford & Ms. Fasoli  | Thursdays                       | The purpose of Peer Leadership is to take student voice and our school values of B2B and merge them together to help each other have safe and successful school days. 4 students from each grade will be included as our Peer Leaders, and we will work together to promote our positive environments, spread school spirit, and create some fun and engaging activities for all students at BMS.                                  |
| Annie Jr.                                                                      | Ms. Boisclair               | Mon, Tues, and Thurs            | This year's musical will be <i>Annie Jr.</i> Auditions were held the week of September 8th and rehearsals will start on Monday, September 15th. A rehearsal calendar will be given out at the first rehearsal, and rehearsals will be held Mondays, Tuesdays, and Thursdays until 4:30pm. Students can be involved in the cast or backstage crew for this production.                                                              |
| Jr. DECA - <b>Starts October 2nd</b>                                           | Mrs. Lunedei                | 1st and 3rd Thursday each month | The goal of Jr. DECA is to introduce middle school students to the high school level DECA program. Jr. DECA focuses on real world business skills such as collaboration, critical thinking, decision making and presentation skills. This club is open to grades 6 - 8 so come check out Jr. DECA to find out about all of the incredible opportunities it will open up for your future including college scholarships and awards! |

## Clubs & Activities 2025-2026

| COMING SOON!              |               |                               |                                                                                                                                                                                                                                                                                                                                                                                              |
|---------------------------|---------------|-------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unified Bocce</b>      | TBD           | TBD starting in the fall      | Peers and Athletes will join together to learn the sport of Bocce and prepare for a match. 5-6 Practices and 1-2 matches during the season.                                                                                                                                                                                                                                                  |
| <b>Unified Basketball</b> | TBD           | TBD starting in March         | Peers and Athletes will join together to practice and play basketball as a team! 5-6 Practices and 3-4 games during the season.                                                                                                                                                                                                                                                              |
| <b>BMS Festival Play</b>  | Ms. Boisclair | Ongoing - starting in January | Do you love to act? Want to be part of a play and participate in the Junior METG Festival Performance? Stay tuned for audition information in the winter!                                                                                                                                                                                                                                    |
| <b>Select Choir</b>       | Mr. Baird     | TBD starting in January       | This club is a chance for students who like to sing to be a part of a smaller, slightly more selective group. This group will perform in the Spring Chorus Concert and will likely represent BMS at a local music competition. If you like to sing and don't get enough of it in your daily schedule, this club might be the right place for you. Please see Mr. Baird for more information! |
