

What to Wear to an Industry Tour

- Dress appropriately and in accordance with your school's dress code.
- [Examples of professional vs business casual dress for both boys and girls.](#)
- Dress comfortably. You may do a lot of walking. Make sure you are appropriate for the climate and that your shoes are comfortable.
- Watch the weather. If there is a chance for rain, pack an umbrella.
- Look sharp.

Questions to Ask during a Tour

- Who are your customers?
- What is the biggest challenge facing _____ today?
- What is the most challenging part of working here?
- What is the most rewarding aspect of working here?
- What skills and experiences are you looking for in your employees?
- What are your expectations of your employees?
- What opportunities are available to employees who want to learn and grow?
- How do you evaluate employee performance?
- What does a typical workday look like?
- How did you get to your current position?
