Dear Parents/Caregivers,

NZ Surf Bros 'Have a Go Surfing' - Tuesday April 5 2022

Our Te Puawai and Te Kauru students have been given the opportunity to take part in a NZ Surf Bros, "Have a Go Surfing" experience at Ahipara Beach, next **Tuesday April 5th 2022**. This is a great opportunity to find out more about the sport of surfing, learn surf safety skills and meet our local Surfing New Zealand Approved Surf Schools and board riders club. The SURF BRO's instructors are qualified to international safety standards and hold Community Life Saving Awards and First Aid Certificates. All surfboards and wetsuits will be provided. There are toilets and changing facilities on site.

All 50 students will travel by bus with their teachers. This will mean there is only seating for the students and the teachers.

We will need at least 10 parents to travel by private vehicle and help to supervise.

The students need to bring: Swimwear, towel, warm clothing, lunch and a drink. The students will need a hat and we have plenty of sunscreen.

The group that are not surfing will play beach games and activities, whilst the surfers are in the water.

We will need parents to help supervise the students in the water and on the beach.

Please complete the permission slip and return to school by this Friday April 1 2022.

Approximate Day Plan Below

Bus Pick up	9am	
Safety Briefing	9.30am	
Surf Session 1	10am-11.15	For up to 25 students
