_____ ACCOUNT SET UP/CONNECTION CHARGES: Applicant/Co--Applicant acknowledges that they are subject to a **\$5.00 account setup fee** as a result of this request for utility services. The Applicant/Co--Applicant also acknowledges they are subject to an additional **\$25.00 connection fee if the service is not turned on, on the date utility services are requested to be connected.**

_____ PAYMENT: Applicant/Co--Applicant agrees to pay monthly for utility services rendered by Washington City which could include but is not limited to water, sewer, power, storm water, garbage, and irrigation services. Charges for service will be made at the regular established rates for the class of service applicable to the service address. It is the Applicant/Co--Applicant's responsibility to review the monthly bills for accuracy and notify the Utility Billing Office of any concerns prior to the payment due date.

_____ DELINQUENCY: Payment for service is due immediately upon billing and shall become delinquent if not paid by Due Date reflected on billing statement. **A late charge of 5% per month of the unpaid balance will be added to delinquent accounts as of the 25th.** The applicant agrees to pay reasonable expenses of collection including attorney's fees and court costs should it become necessary to use such measures to collect the charges made to Applicant's/Co--Applicant's account.

_____ DISCONNECTION: Delinquent accounts are subject to disconnection of services 10 days after the 25th of the last month. Disconnected services may not be reconnected until all outstanding late charges and delinquent charges for services are paid along with a \$50.00 reconnection fee. Disconnect accounts not reconnected within five (5) business days from the day of disconnect are subject to termination.

_____ SECURITY DEPOSIT: **A one hundred and fifty dollar (\$150.00) deposit is required for residential accounts with only one metered service. A three hundred dollar (\$300.00) security deposit is required on all residential accounts with power and water services. For small commercial accounts will be charged a (\$300.00) deposit and a five hundred dollar (\$500.00) security deposit is required on all large commercial accounts.** The deposit shall be waived if the customer is, at that time, a customer of the city's utility service and has an account that has been in good standing for a period of twelve (12) consecutive months. (Ord. 2008--15, 4--23--2008) The Security Deposit shall in no way be construed to preclude Washington City from disconnecting any and all utility services to the service location in the event of default on payment of any indebtedness for utility services rendered to the premises regardless of whether or not the amount of the deposit is sufficient to cover the delinquent amount.

Security Deposits may be refunded to the Applicant/Co--Applicant under the following circumstances (Residential Customers Only):

_____ REASONABLE ACCESS: The Applicant/Co--Applicant shall permit the City's authorized representatives to enter onto the customer's premises at all reasonable times for purposes connected with rendering, billing, or disconnecting utility services. Service may be terminated if reasonable access is not permitted.

_____ TERMINATION OF SERVICE: The Applicant/Co--Applicant agrees to be responsible for the payment of utility charges incurred at these premises until their responsibility is terminated in one of the following ways:

1. By mutual agreement evidenced in writing and signed by the City and the applicant.
2. **By a two day written notice from the customer to have services disconnected and the City physically terminating the service.**
3. By proper assumption of the payment responsibility by a party acceptable to the City and upon completion of an application for service by the other party.
