

Privacy Policy

Photo Printer: Print Photos was developed by Aksana Sulima. You may use this Photo Printer: Print Photos as is at no cost and without any additional restrictions offered by developers.

If anyone decides to use the Photo Printer: Print Photos, this page will be used to explain policies regarding collecting, using, and disclosing Personal Information.

By using the Photo Printer: Print Photos, you agree that we will collect and use your information as described in this policy. The provider uses the Personal Information we collect in order to provide and improve the service. Your information will only be used or shared as specified in this Policy.

Unless otherwise defined in this Privacy Policy, all terms used in this Privacy Policy have the same meaning as in our Terms of Use.

How we collect and use information

It may be necessary to provide some personal information to us while using our service. Any information you give will be stored on your device and will not be collected by us.

In some cases, third-party services may collect information that is used to identify you.

Using cookies

The term "cookies" refers to files that contain a small amount of data and are used to identify web users anonymously. Cookies are stored on your device's internal memory after being sent to your browser from websites you visit.

There is no explicit use of "cookies" in this Photo Printer: Print Photos. In order to improve the app's services, third-party code and libraries may collect and use "cookies. By accepting or refusing cookies, you will know when you are receiving them. Some features of this Photo Printer: Print Photos may not work if you refuse our cookies.

Analyses of log data

Every time you use the Photo Printer: Print Photos, we may collect data and information from your phone (through third party products) when an error occurs. In addition to the IP address and the name of your device, the operating system

version, how the app is configured when you use the Photo Printer: Print Photos, and the time and date of your use, Log Data may also contain other data about you.

Providers of services

Due to the following reasons, we may employ third-party companies and individuals:

- For the purpose of facilitating our service;
- For the purpose of providing the service on our behalf;
- For providing services associated with the Service;
- To analyze our service's usage.

It is for the purpose of completing the tasks we have assigned to them on our behalf. Nevertheless, they are prohibited from disclosing or using the information in any other way. It is the policy to inform users of this Photo Printer: Print Photos that these third parties have access to their Personal Information.

Security

We value the trust you place in us when you give us your Personal Information, which is why we attempt to protect it as commercially acceptable as possible. We cannot guarantee the security of any method of transmission over the internet, or of electronic storage.

It is possible for this service to contain links to other websites. Third-party links will direct you to other websites. We are not responsible for the content of these external sites. We strongly advise you to read these websites' Privacy Policies. The content, privacy policies, or practices of any third-party sites or services are not under our control.

We may update this Privacy Policy periodically. In order to stay up-to-date with changes, you should periodically review this page. You will be notified of any changes by visiting this page and viewing the new Privacy Policy. After this page is updated, the changes take effect immediately.

Children's Privacy

Our Services do not target children under 13. Child under 13's personally identifiable information is not collected by us. We delete all personal information about children under 13 as soon as we learn it has been provided to us. You should contact us if you are the parent or guardian of a child who has supplied us with

personal information. Feel free to contact us with any questions regarding Photo
Printer: Print Photos. Get in touch with us. Email:
