

Summer Sunday School Recordings.

Presentations in our Summer Sunday Schools are made for the benefit of those in attendance and the membership of CUMC. As such, we protect the intellectual property of the presenters by keeping the recordings of their presentations in the church website's MEMBERS RESOURCES page, which requires a password to access.

Here is the link to the MEMBER RESOURCES page, but you will need the password to go beyond it.

Once into the MEMBER RESOURCES page, you can find the Summer Sunday School Recordings by paging down to the ADULT DISCIPLESHIP RESOURCE where you will find a list of the Summer Sunday School sessions.
