INTRODUCTION

Introduction: Explains the research background, issues addressed, objectives, and the article's contributions.

The recommended article length is 5,000 to 8,000 words, including the abstract, tables, figures, and references. The document should be formatted on A4 paper with 2.5 cm margins on all sides. Use Times New Roman font size 12 pt, 1.5 spacing, and include page numbers at the bottom center of each page.

METHOD

Methodology: Describes the research approach, design, data collection techniques, and analysis methods used.

RESULTS AND DISCUSSION

Results and Discussion: Presents the key findings systematically and analyzes them in depth, supported by tables, graphs, or figures as needed.

Tables should be titled above (e.g., Table 1. Data Summary), while figures are captioned below (e.g., Figure 1. Statistical Trends). Font size for tables is 10 pt. References should come from credible sources such as academic journals, books, and legal documents. Avoid using unreliable sources such as blogs or unverified website.

CONCLUSION

Conclusion: Summarizes the main findings, discusses their implications, and provides recommendations for further research.

REFERNCE

All references should be cited according to APA Style (7th edition).
