Notes:

All references must be genuine and verifiable sources, and authors must be able to provide the original text or an official, traceable source page when required. Any online link must be fully functional at the time of submission.

Authors may use **Google Scholar's "Cite"** function to quickly generate Chicago-style reference entries for preliminary formatting purposes.

For more detailed formatting and submission requirements, please refer to the **[Manuscript Submission Checklist.pdf](#)** **(click to download)**.

Detailed formatting and stylistic requirements may be further reviewed and finalized by the editorial team in consultation with the author(s) after manuscript acceptance and prior to publication.
